

How can you choose elements to make a sequence?

**EQUIPMENT:**

mats, music.

I can perform a sequence using the four compulsory elements

I can perform a sequence using both the compulsory and optional elements

I can create a sequence choosing the more complex optional elements and perform with control

**Warm up: Follow My Leader.** Children to work in pairs.

Start with a pulse raiser: e.g. jogging, jumping, skipping, hopping. Children to take it in turns to lead a pulse raiser exercise.

### Activity 2: Sequence (Pairs with one mat) - add music

1. The sequence will comprise **four compulsory elements and four optional elements** (see Pg,2)
2. Both the children to **perform the four compulsory moves**; however, the **optional elements are the pair's choice**.
3. Each sequence to have **start** and **finishing** positions.
4. The routine will be based on **four compulsory elements and six of the optional elements**:

#### Four compulsory elements:

Straight Jump with landing  
Stork Balance  
Rocking x 3 to stand  
Straddle shape

#### Six Optional elements:

Forward Roll  
Arabesque  
Teddy Bear Roll  
Half turn  
Full turn  
Jumps (shapes optional)  
Front Support  
Cartwheel  
Elements of their own

5. Children are to **number the elements in order** on the floor routine resource card: see box below the element.
6. The skills should be performed in a combination of **linking/ travelling movements**.
7. Each pair can perform to another group and they can peer-assess them with the score card (see score card resource). **The final performance can be assessed by the teacher.**

**KEY WORDS: Elements , Travelling, Sequence**

# Floor Routine

Straight Jump with landing

Stork

Rocking x 3 to stand

Straddle shape

Forward Roll

Arabesque

Teddy Bear Roll

Front Support

Turn in the air

Tuck Jump

Cartwheel

Element of your choice

Element of your choice

Team name:

Please identify all the elements that will appear in your team's routine.  
Please note, all routines must include four compulsory elements as well as the six optional elements.

## Four compulsory elements:

- 1.
- 2.
- 3.
- 4

## Six Optional elements:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
